Please submit unofficial transcripts for each institution attended including your home school as well as institutions where you attempted/received credit for courses that are traditionally offered in this format.

Supporting documentation (resume, LORs, unofficial transcripts) must be uploaded to your PrivateFolio account by the HPAC deadline.

We do not require the 10,000 character essay.

We strongly recommend that you visit the website and discuss the HPAC process with a writing center.

If you have taken undergraduate courses at the University of Texas at Austin, please list all undergraduate institutions you have attended.

As part of the HPAC process, information from your student conduct record, including disciplinary dismissals, suspensions, plagiarism, drug/alcohol citations, etc., will be considered.

The committee has significant concerns about my application.

I understand that by going through the HPAC process, I am not guaranteed a letter. If the committee refuses to provide a letter that could negatively impact my application package, I will not pursue the committee letter provided to medical or dental schools.

We may ask you to add/remove courses and affect your overall GPA.
